CAPT. DOWNER "is it."

MATINEE at the Grand to-day.

THE GRAND this evening—"The Orphans of New York."

FIVE towboat crews left over the Ohio River Road for Parkersburg. Extra coaches were needed.

THE A. D. Howe Machinery Company has secured the order for 800 horse power boilers for the Bellaire water works.

A MEETING of the city council should have been held last night, in the regular order of events, but it is scarcely necessary to say that none was held.

THE dance given by the South Side Independent Club at Mozart Hall on Monday night was well attended, and very successful from all points of view.

A NUMBER of South Side young ladies will give a private dance at Menge & Howley's hall, South Side, on next Wednesday evening, November 13.

THE outcome of the election shows one thing, and that is that G. Smith had a pretty good idea of the situation in advance. When he predicted 800 majority in Ohio county a couple of weeks ago, most of the Republicans and everybody else joined in laughing at him. "He laughs best who laughs last."

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks Abroad.

Carl Hartman, of Germany, a relative of Mr. Conrad Seibert, who came to this country about two weeks ago, became homesick and left for New York Monday, from whence he sails to-day on the American line steamer Paris for home. Mr. Hartman reports that the wet and disagreeable weather that has been general in Germany this fall does not agree with Mr. Seibert, and he may return to this country.

George McCurdy, of Pittsburgh, is visiting on the Island.

John Fisher, of Jeannette, Pa., returned home yesterday to vote.

Miss Lizzie Carroll, who has been suffering with a sprained ankle, is getting better.

Ed Kline, pilot on the Island ferry boat, was at his home in Clarrington yesterday morning.

Captain George Moore, captain of the Dave Wood, left on the Ben Hur to join his boat at the foot of Blenny.

Frank and Hugh LaFlam, of Allegheny, and Jacob Shepler, of Fairmont, were home yesterday and voted on the South Side.

Mrs. Caroline Sonderman, of the Eight ward, is recovering from a paralytic stroke, which occurred last Friday afternoon. At the time her recovery was not assured, but now she is much better.

Transfer Recorded.

Clerk Hook yesterday admitted to record a deed made November 2 by Charles H. Loeffler and wife to D. C. Kurner, for \$2,000, the east half of lot 240 in East Wheeling, situated on Eighteenth street.

Only Two Cases.

Oliver and John Dodson were the only cases in the police court yesterday morning. They were up on disorderly charges, growing out of a family row. Oliver was fined and John dismissed, but the former's fine was afterwards remitted, and he was let go on paying the costs.

Licensed to Wed.

Clerk Hook yesterday issued marriage licenses to the following named parties:

Frederick Troll, aged 26, and Adella Kuntz, aged 20, both of this city.

William A. Stenger, aged 28, and Louisa Kobrecht, aged 21, both of Ohio county.

John McShane, aged 27, and Kate Nolan, aged 25, both natives of Ireland and citizens of this city.

Theodore Hirth Dead.

Word was received here yesterday of the death in Henderson, Ky., of Theodore Hirth. Mr. Hirth was formerly employed as a compositor on the Register, in this city, and his many former acquaintances will be pained to hear of his death. He was a prominent member of the A. O. U. W., and at the time of his death was editor of the Kentucky Workman, the journal of that society in Kentucky.

At Police Headquarters.

Frank Gleason was run in last night by Officer Creighton for disorderly conduct.

"Knocker" Shelley stopped in at the police office when drunk, and was advised to go home. As he went out he fell down the steps at the south end of the city building and struck on his head. He was taken in charge and put in care of a doctor, but fought against having his head sewed up where it was cut.

A Great Battle

Is continually going on in the human system. The demon of impure blood strives to gain victory over the constitution, to ruin health, to drag victims to the grave. Hood's Sarsaparilla is the weapon with which to defend one's self, drive the desperate enemy from the field, and restore bodily health for many years.

HOOD'S PILLS cure nausea, sickness, indigestion and biliousness. 25c.

MARRIED LAST EVENING.

Mr. C. F. Dickinson and Miss Augusta Hupp Married.

One of the most beautiful and notable weddings of the season was celebrated last evening at the First Presbyterian church, when Rev. Dr. D. A. Cunningham performed the ceremony uniting in matrimony Mr. Charles F. Dickinson and Miss Augusta Hupp. The groom, who is a member of the real estate firm of Smith & Dickinson, has, during his stay in Wheeling, won a host of friends. The bride is the charming and accomplished daughter of Dr. and Mrs. J. C. Hupp, and is a social favorite among her large number of friends and acquaintances.

At 7:30 o'clock the bridal party reached the church and to the music of the wedding march proceeded to the altar. The bride was dressed in white satin, en traine, with veil and diamond ornaments. The maid of honor, Miss Virginia Sinclair, of Charlotte, N. C., wore a dress of white organdie with veil. The ushers were Messrs. James King Hamill and Charles F. Sowersky, of Newark, O., John Gallaher, of Mountville, and Edwin L. Wilde, Edgerton Vance and Stephen W. Rice, of Wheeling.

The happy couple were the recipients of many varied and handsome presents as marks of esteem from their numerous friends. The decorations at the church were the subject of many complimentary remarks. The display of palms and plants was among the finest ever seen on a similar occasion. A feature was the beautiful chrysanthemums which were sent from North Carolina.

After the ceremony a wedding dinner was served at the residence of the bride's father, and, amid showers of rice, Mr. and Mrs. Dickinson left over the Pan-Handle road at 9 p. m. for the east, where they will remain for some time.

Among the out-of-town guests were Mrs. Dickinson, of Newark, O.; Judge Taylor, mayor of Newark; Miss Jariff, of New York city; Miss Lapsley, of Washington, Pa., and Miss Ida McNeely, of Washington, D. C.

Hears to a Texas Estate Wanted.

Squire Manion, of Twenty-fourth street, is in receipt of a letter from a gentleman named Templeton, of Austin, Texas, making inquiries as to the whereabouts of certain persons thought to be heirs to a large tract of land in Texas. The letter states that the land was pre-empted by persons from Virginia, and that from some cause the owners' heirs are unknown. The letter the squire received confounds his name with that of Marion, and states that the amount due that person is estimated to be \$8,000. Among the persons inquired of are three by the name of Moore, and the members of a family in the city think they are the ones sought. The letter makes inquiries regarding between twenty and twenty-five persons.

"Faust."

Plays may come and plays may go but "Faust," with its beauties, goes on forever. This most successful product from the brain of the immortal Goethe, will be presented at the Grand Opera House by Mr. John Griffith and an excellent company, Thursday evening. "Faust" needs no introduction to the playgoers of this city, and Mr. Griffith's success as Mephistopheles during this engagement will be well and favorably remembered. No actor has created such an impression in the character as has this young man. His reading is masterful, and his stage technique perfect. His support is made up of the strongest material, each artist fitting his or her part like the proverbial glove. The production is magnificently staged, new, novel and startling effects being introduced, forming the most elaborate production that has ever been given this beautiful poetic tragedy.

A Child Enjoys

The pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative, and if the father or mother be coactive or bilious, the most gratifying results follow its use; so that it is the best family remedy known, and every family should have a bottle on hand.

It is the best beverage; Smith's is the best ale.

For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Charles R. Goetze, Will W. Irwin, Chris. F. Schnepf, Charles Menckemeller, William E. Williams, S. L. Brice, A. E. Scheele, Will Menckemeller, John Coleman, Richards & McElroy, W. H. In addition to the dyeing and cleaning department a corps of first-class tailors are employed, who can do repairing as neat as it is possible. Clothes and ladies' garments, cleaned or dyed, can be made to look like new. Satisfaction guaranteed.

Ask for Smith Brewing Co.'s ale and porter; take no other.

HENRY WILSON, the postmaster at Wehston, Florida, says he cured a case of diarrhea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take.

This is the season when you want Smith's ale and porter—the best.
